An excellent opportunity for businesswomen in the Andover area, or who are new to the area, to make contacts and become known in the locality.

Support and friendship among members is encouraged through a programme of events including monthly meetings and varied social functions.

Membership of the Club is restricted to individuals only (no corporate membership) whether employed or self-employed.

AIMS AND OBJECTIVES

AWIBC aims to unite local businesses and professional women within the community and provide support and encouragement.

We hold regular meetings on the first Tuesday of every month, which are usually structured around a meal and a guest speaker. We enjoy presentations, and promote discussions on subjects, which are relevant and beneficial to our members.

We also hold a number of varied social events throughout the year to enhance this aspect of the Club.
